

MAKE CHECK OUT FASTER

Set up a Secure Online Wallet

The screenshot shows the Sodexo University Demo Site account page. At the top, there are navigation links: FLAVOURS, SIMPLY TO GO CATERING, SQUARE TOMATO, and MORE. On the right, there is an ACCOUNT section with a user profile (Hi, Matthew) and a CART icon showing \$0.00. Below the navigation, there is a section titled "WHAT WOULD YOU LIKE TO DO?" with options: Create New Order (Single Service Time, Multiple Service Times), Manage And Repeat Orders, Manage Online Wallet (which is circled in blue), Update Account Information, View All Account Options, and Sign Out.

On the left, there is a large empty box with a scroll bar. On the right, there is a section titled "Online Wallet" with a sub-section titled "Current Online Wallet Entries:". Below this, there is a "Add Online Wallet Entry:" form with a "Payment Method:" dropdown menu. The dropdown menu is open and shows the following options: Select, Select, Cost Center (which is highlighted with a blue selection bar), Check, and Credit Card. Below the dropdown, there is a "Customer Information" section with an "Update" button.

- From My Account select, Manage Online Wallet
- From the dropdown, select the type of payment method you would like to add. Available payment options will vary by site.
- Complete the required information.
- When you place an order your favorite payment methods will be available for quick checkout.
